

Cancellation Policy

We require **48 hours** advanced notice for any changes or cancellations of your appointment. We do, however, understand that illness and emergencies occur and we do accommodate for those rare instances.

A cancellation fee of **\$75.00 per hour** will be charged for not honoring this policy.

We reserve time in our schedule for you in advance in order to accommodate your busy schedule. We ask you to give us the same consideration when needing to change or cancel your appointment.

Thanks for your understanding!
